Dear Ms. Dortch:

RE: Docket 98-67

Per requirements relevant to the above docket, please find enclosed the **ANNUAL LOG SUMMARY OF CONSUMER COMPLAINTS CONCERNING TELECOMMUNICATIONS RELAY SERVICES for the State of KANSAS**. As we are using the electronic filing option, we have submitted the hard copy, diskette copy, and e-mailed copies of this filing consistent with instructions contained in the May 31, 2002 memo from Pam Gregory of the FCC's Disabilities Rights Office.

This constitutes our second electronic submission of this filing. Please disregard our yesterday's submission of our logs electronically with cover information addressed to Jenifer Simpson. The reason for the mis-direction of our first submission, however, is that the FCC website, through the FCC search engine, brings up multiple copies of last year's submission instructions but does not find the memo from Ms. Gregory for this year. I thus completed our initial attempt at submission per last year's instructions assuming that there were no new instructions for this year. Jenifer Simpson was the party to whom correspondence was to be sent last year. I learned of Ms. Gregory's memo detailing this year's submission requirements after the previous electronic filing had already been completed. I trust that Ms. Simpson will kindly disregard the materials submitted electronically to her attention as she is apparently no longer supposed to receive such materials.

KRSI is designated to administer and provide telecommunications relay service for the State of Kansas by the Kansas Corporation Commission. Thank you.

Sincerely yours:

Michael Byington
KRSI Director
